### A Note For Fitting.

**NEVER ATTEMPT TO ATTACH ADDITIONAL ITEMS ANYWHERE ON THIS GUARD  
AS THIS WILL INVALIDATE YOUR WARRANTY**

**SPRAY GUARD ONLY SUITABLE WHEN FITTED WITH FACTORY FITTED WHEELS AND TYRES**

### Fitting Instructions

This product is supplied fully assembled, ready to fit.

Using a paddock stand remove the rear wheel nut, spindle and chain adjustment block.

The aluminium mounting bracket replaces the existing chain adjuster,  
simply fit the guard in place and refit existing spindle.

Replace existing nut and tighten to **108 lb-ft (146 N-m)**.
